

On September 28, 2024 – GFWC/CT clubs are asked to collect food for the Cougar Pantry at CT State College Manchester– the site of the GFWC/CT Fall Conference. The Cougar Pantry assists students who have food insecurity – whether it is with food to eat at home or fast meals which can be eaten between classes. No Student can learn effectively when hungry. Some suggested items are: Snack packs, snack bars , easy mac and cheese, ramen, grab and go soups, rice cups, pastas. Please bring items to the Fall Conference on October 12 where we will organize them for donation.
